## BUYING GUIDE

**92** **Brion 2005 Cabernet Sauvignon (Napa Valley); \$70.**

At the age of four-plus years, this Cab still tastes young and fresh, as though it were bottled yesterday. Brims with ripe blackberries, cherries, cocoa and cedar, with a nice cut of acidity and ultrarefined tannins. Not quite ready for prime time, so give it 3–5 years to mellow.

***Cellar Selection.***
