## B. WISE VINEYARDS

### *Greetings from our Estate on Moon Mountain*

Spring renewal has come once again to our home here in the California wine country and the vineyards are lush with their cover crops and the bright notes of the multi-colored mustards and orange calendula flowers. These are sometimes punctuated by the small herds of sheep who help us keep the grass and weeds trimmed. The air is fresh and the sky clear as the days grow longer. A liveliness enters our step.

The 2023 wine grape growing season in Sonoma and Napa was notably cooler than some recent years. The winter and spring rains replenished soil moisture in the vineyards and the cool weather pushed budbreak later than usual. Summer stayed relatively mild, without major heat spikes, allowing grapes to ripen gradually and evenly. As a result, harvest began several weeks later than normal in most places, and in some vineyards extended well into November. At this measured pace, our vineyards produced excellent fruit quality, with balanced sugars, bright acidity, and well-developed flavors. 2023 was a classic, high-quality vintage that may rival the great vintages of the last 30 years, such as 2007 and 2013.

This spring, we are releasing several wines from this exceptional vintage. From the Estate, be sure to look for the new release of the 2023

Petite Sirah. For our Pinot Noir enthusiasts, we have three new releases of 2023 wines from our vineyards near the coast. Of particular note is the Nobles Vineyard Fort Ross–Seaview Pinot; if you've enjoyed the Nobles in the past, this one is not to be missed. For Cabernet Sauvignon, we are bringing out some fun Napa Valley vintages from our library, as well as the 2023 Moon Mountain Estate Cabernet.

We thrive on your interest and support of our independent, hand-made wines; it's a joy to be able to share them with you. Please drop us a note; we're always interested in hearing about your experience and how the wines are tasting for you.

We want to extend an invitation to you, on your next visit to the Napa Valley, to come see us at our newest location in Oakville, home to our Mark Herold Winery. Here, you can explore the latest vintages of these wines and also experience a tasting of B. Wise wines. The large interior spaces were beautifully appointed by Ronda Wise with nautical and rock 'n' roll themes as part of her signature mix of vintage and contemporary decor.

We hope you enjoy our wines in good health and in good company.

PETITE SIRAH  
MOON MOUNTAIN DISTRICT  
SONOMA VALLEY  
ESTATE GROWN  
2023

The 2023 Petite Sirah is an evocative expression of our Sonoma Estate on Moon Mountain. The vineyard's red, iron-rich soils and our mountainside climate are ideal for this varietal. In the glass, the wine is dark, almost black in color. The wine shows warm blue and boysenberry fruit aromas in the nose, accented by notes of violets, saddle leather, cured black olive, and mineral. A deep, intense wine with caressing texture and a long finish.

ZINFANDEL  
MOON MOUNTAIN DISTRICT  
SONOMA VALLEY  
ESTATE GROWN  
2023

Zinfandel was first planted on the slopes of Moon Mountain in the 1880s in the nearby Monte Rosso vineyard. Brion Wise has updated our plantings in an homage to the Italian wine-grower heritage of Sonoma County. Our 2023 release shows blackberry and Santa Rosa plum fruit aromas with hints of spicy red pepper, chaparral, and dusty red earth. The wine is medium-dry with a clean finish; pairs with pizza and red sauces.
