PINOT NOIR

ELSWICK VINEYARD, ANDERSON VALLEY, MENDOCINO COUNTY

From the cool, deep end of the Anderson Valley, this vineyard is within a few miles of the fresh marine air of the Pacific Ocean, while enjoying ample sunlight and inland warmth. These conditions produce elegantly structured Pinot Noir with depth and concentration and a fresh acidity that balances the darker fruit flavors and aromatics.

The 2023 release shows black cherry and plum fruit aromas and flavors with hints of sassafras, flint, and pine. Further nuances of morel mushroom and forest floor envelop the mouth. Balanced moderate tannins give texture and roundness. 16 barrels produced.
